## JCS Mem-O-Re Yearbook Family Pricing

Reserve your yearbook today!

To reserve your yearbook(s), **simply fill**

**out the form below and send it in with payment attached.** To better serve our families, we are offering a Discounted Price, if you reserve your book before December 21 (when we dismiss for Christmas Break). If you have any questions, please do not hesitate to contact me. As most of our families have multiple children, we are hoping this cost savings will be an incentive to purchase each child their own book of memories! Our yearbook is a hardcover book that includes the FULL year. We send the finalized book to print over the summer and books will be distributed next September.

**DISCOUNTED RATE: Reserve your book(s) BEFORE December 21 for the following prices:**

1st yearbook	\$30	Additional Yearbooks	\$25
--------------	------	----------------------	------

FULL PRICE: Order between January 3 - April 30 for the following prices:

All yearbooks	\$35
